

The Bog Down in the Valley-o

Trad.

[chorus, repeated after every verse]

O-ro the rattlin' bog, the bog down in the valley-o

O-ro the rattlin' bog, the bog down in the valley-o

And in that bog there was a tree

A rare tree, a rattlin' tree

With the tree in the bog

And the bog down in the valley-o

Now on that tree there was a limb

A rare limb, a rattlin' limb

With the limb on the tree and the tree in the bog

And the bog down in the valley-o

Now on that tree there was a branch...

Now on that tree there was a twig...

Now on that tree there was a nest...

Now on that tree there was an egg...

Now on that tree there was a bird...

Now on that tree there was a feather...

Now on that tree there was a flea...
