

Danny Boy

Frederic Weatherly

G G7 C Am
Oh Danny boy, the pipes, the pipes are calling
G Em Am D
From glen to glen, and down the mountain side.
G G7 C Am
The summer's gone, and all the flowers are dying.
G D G D7
'Tis you, 'tis you must go, and I must bide.
G C G D D/F#
But come you back when summer's in the meadow,
G C D D7
Or when the valley's hushed and white with snow.
G C G Em
'Tis I'll be here in sunshine or in shadow
C G C D G C G
Oh, Danny boy, oh, Danny boy, I love you so.

G G7 C Am
And if you come, when all the flowers are dying,
G Em Am D
And I am dead, as dead I well may be,
G G7 C Am
You'll come and find the place where I am lying,
G D G D7
And kneel and say an "Ave" there for me.
G C G D D/F#
And I shall hear, tho' soft you tread above me,
G C D D7
And all my dreams will warmer, sweeter be,
G C G Em
If you'll not fail to tell me that you love me,
C G C D G C G
And I will sleep in peace until you come to me.
