

Nancy Spain

Barney Rush

G

Of all the stars that ever shone

C

G

D

Not one does twinkle like your pale blue eyes

C

D

G

Like golden corn at harvest time your hair

G

C

Sailing in my boat the wind

G

D

Gently blows and fills my sail

C

D

G

Your sweet-scented breath is everywhere

G

Daylight peeping through the curtain

C

G

D

Of the passing night time is your smile

C

D

G

And the sun in the sky is like your laugh

G

Come back to me my Nancy

C

G

D

Linger for just a little while

C

D

G

Since you left these shores I've known no peace nor joy

[chorus]

G

C

D

No matter where I wander I'm still haunted by your name

C

D

G

The portrait of your beauty stays the same

G

C

Standing by the ocean wondering where you've gone

G

D

If you'll return again

C

D

G

Where is the ring I gave to Nancy Spain

G
On the day in Spring
C G D
When snows start to melt and streams to flow
C D G
With the birds I'll sing this song
G
Then in the while I'll wander
C G D
Down by bluebell stream where wild flowers grow
C D G
And I'll hope that lovely Nancy will return

[chorus]

G C D
No matter where I wander I'm still haunted by your name
C D G
The portrait of your beauty stays the same
G C
Standing by the ocean wondering where you've gone
G D
If you'll return again
C D G
Where is the ring I gave to Nancy Spain
