

# One Starry Night

Sean Tyrrell

One starry night as I lay sleeping  
One starry night as I lay in bed  
I dreamed I heard wagon wheels creaking  
When I awoke my own love had fled

I'll search the highways, likewise the byways  
I'll search the boreens, the camping places too  
I will enquire of all our people  
Have the tide or tidings or signs of you?

[chorus]

Many's the mile, love, with you I've travelled  
Many's the hour, love, with you I've spent  
I dreamed you were my love forever  
Now I find, love, you were only lent

[ instrumental ]

I'm drunk today, but oft-times I'm sober  
A constant rover from town to town  
When I'm dead and my sorrow's ended  
Molly Bán a stórin come and lay me down

[chorus]
