

# The Irish Pub

*The High Kings*

Well, you're walkin' through a city street, you could be in Peru  
And you hear a distant calling and you know it's meant for you  
Then you drop what you were doing and you join the merry mob  
And before you know just where you are, you're in an Irish pub

[chorus]

They've got one in Honolulu, they've got one in Moscow too  
There's four of them in Sydney and a couple in Kathmandu  
So whether you sing or pull a pint you'll always have a job  
'Cause wherever you go around the world you'll find an Irish pub

Now the design is fairly simple and it usually works the same  
You'll have 'Razor Houghton' scoring in the Ireland - England game  
And you know your in an Irish pub the minute you're in the door  
For a couple of boys with bodhrans will be murdering Christy Moore

[chorus]

They've got one in Honolulu, they've got one in Moscow too  
There's four of them in Sydney and a couple in Kathmandu  
So whether you sing or pull a pint you'll always have a job

'Cause wherever you go around the world you'll find an Irish pub

Am C G  
Now the owner is Norwegian and the manager comes from Cork  
Am G Em  
And the lad that's holding up the bar says 'Only Eejits Work'  
Am C G  
He was born and bred in Bolton but his mammy's from Kildare  
Am G Am  
And he's going to make his fortune soon and move to County Clare

[chorus]

C  
They've got one in Honolulu, they've got one in Moscow too  
Am G Em  
There's four of them in Sydney and a couple in Kathmandu  
Am C G  
So whether you sing or pull a pint you'll always have a job  
Am G Am  
'Cause wherever you go around the world you'll find an Irish pub

Am C G  
Now it's time for me to go, I have to catch me train  
Am G Em  
So I'll leave ye sitting at the bar and face the wind and rain  
Am C G  
For I'll have that pint you owe me, if I'm not gone on the dry  
Am G Am  
When we meet next week in Frankford in the fields of Athenry

[chorus ]

C  
They've got one in Honolulu, they've got one in Moscow too  
Am G Em  
There's four of them in Sydney and a couple in Kathmandu  
Am C G  
But of all the pubs around the world there's one that tops the rest  
Am G Am  
It's the one you're sitting in right now - McGinty's is the best!
